Mrs. Evelyn Belarmino asked the Barangay council regarding the student assistance program for the graduate students. Kung kini ba para sa tanan.	Hon. Emmanuel Kloyd P. Beldad clarified that the assistance for the Barangay youth graduated last school year was specialized for the barangay 5 only. We don't know if the municipal or the provincial allocated budget in this matter.

Mrs. Celina Apura asked regarding on how to help the Purok for the establishment of Purok Shed	Hon. Daniel O. Apura informed that the Purok can establish their Purok shed if the location for the establishment of Purok shed in inside the Barangay play Lot, if the location was in the road right of way they cannot pursue their Purok Shed. Because in the long run the Government will have development, anytime we cannot assured the safety and security. Hon. Jonathan D. Albienda manifested that the Barangay has allocated Five Thousand Pesos (Php5, 000.00) a year for the establishment, renovation, rehabilitation of Purok shed, as assistance for the Purok.
Mrs. Michelle Abuso asked the council regarding the road filling of limestone at Purok 5, Bandong Subdivision.	Hon. Jonathan D.
